Using ACT scores, Noble schools represent eight of the 10 best in the city

CHICAGO – Eight of the top 10 open enrollment public high schools in Chicago are part of the [Noble Network of Charter Schools](http://www.noblenetwork.org), according to ACT scores recently published by Chicago Public Schools. For the fifth year in a row, Noble schools have held the city's top spots.

Not only did Noble schools top the ACT ranking list, but 100 percent of Noble students were accepted to college last year, earning more than \$100 million in scholarship support.
